FREQUENTLY ASKED QUESTIONS

Why does it say the date is provisional?
The Tokyo Marathon 2020 is expected to take place on 1 March but this remains provisional at this stage.

Can I extend my stay?
Yes. Extra nights can be booked subject to availability. Prices available on request.

Can I change my flights after I have paid the deposit?
Please be aware that the initial deposit is used to pay race entry and a deposit is sent to the hotel. An allowance of R 12500 is included in the package price for air tickets. We do not recommend you book/pay for air tickets until the race date is confirmed. This will only happen in +/- August/September. Thereafter you need to be 100% sure that the arrangements you book are correct. So yes until the air tickets are booked and issued you can change flights. If you amend your booking at any time thereafter charges can be levied, the charges will be dependent on the changes that are made. If the airfare and taxes exceeds R 12500 per person we will request from you the additional amount.

Is Travel Insurance essential? How much is it?
Travel insurance is included for the dates 2 February – 3 March 2020 inclusive, if you extend your stay you will be invoiced for the additional premium. A supplement will apply if insured is aged 60 years and over. Terms and conditions apply. More details available on request.

We cannot sell race entry only; it is sold together with a minimum of the above package booked through us.

Can I purchase my own accommodation and buy race entry and air tickets only?
No. We cannot sell race entry without the accommodation and inclusions specified.

Do I need to qualify for the Tokyo Marathon?
No you don’t, participants of all speeds are welcome. Minimum age is 19 years. The time limit is 7 hours and based on the gun time (not chip time). Please be aware there are cut off points en-route so realistically you do need to be able to finish in 6hrs 40mins or less. The cut-off time will be enforced at each checkpoint due to limited duration of traffic control, security operation and event operation. Runners who fail to pass through the checkpoints before the cut-off times will be disqualified from the race. Furthermore, trailing runners who lag excessively behind the cut-off time pace may be asked to leave the course at any time.

What can I expect upon arrival in Tokyo?
Airport transfers are not included in the package. The hotel is walking distance to public transport and there is an airport shuttle which is easy and economical. Nearer to the time we can assist you with more details and guidelines. Please note that rooms will only be ready to check into in the afternoon, however the hotel will store luggage for you if you arrive before this time.

An insurance policy is included in our travel package, therefore should an unexpected event occur you can apply to the insurance company for refund however there are conditions to the insurance policy and no guarantee of refund if you cannot run.

Do I need to register in Tokyo prior to the race?
Yes. You must pick up your race number in person at the Expo before race day. The Expo is expected to be in Ariake area but the venue is not yet confirmed. Details and guidance on various transport options and costs will be sent out with final documentation nearer the time.
