## The BMW-Berlin Marathon 25 September 2022

Berlin is a beautiful city and it's easy to see why the Marathon is one of the 6 World Marathon Majors. The course of the marathon is one big sightseeing loop through one of the most exciting cities in the world. Unforgettable moments will forever be remembered, especially when running over the final part of the course on the Avenue Unter den Linden through the Brandenburg Gate and past the grandstands on the last 400 meters to the finish line. The start is on the six-lane Strasse des 17. Juni near "Kleiner Stern" in the beautiful Tiergarten Park and the route is traffic-free, very flat and fast. Of course, most of us do not enter expecting to compete with the likes of Kenyan Eliud Kipchoge (world record run of 2:01:39 in Berlin 2018) but to be a part of this race is fantastic and there is no pressure on club or social runners. A stunning finish sees you running through the splendid Brandenburg Gate. The Marathon starts from 9.15am in 4 waves. Time limit is 6 hours and 15 minutes. Race details are subject to confirmation by race organisers nearer to the race date.

### **Demand is high! We secure a limited number of guaranteed entries which we have to sell with travel arrangements!!**

We don't have the travel package with costs yet for 2022. However due to countless requests from runners we are releasing the **advance registration procedure now so runners can secure their place prior to the launch of the package.** [To pre-register we first need this form completed. Upon receipt of this form \(subject to availability\) we will send banking details and a request for an initial R 2500 deposit per runner \(immediate payment\). No deposit required at this time for accompanying non-runners.](#)

Once the 2022 package is released (approx. December 2021) those who successfully advance registered with us will have first option and 2 weeks to decide if they will book the advertised package or not. Within that 2 week period we will require a further deposit to total 50% of the package price per person and booking documentation to secure.

The advance registration fee is refundable minus R 1000 if runners decide not to proceed and pay full deposit within 2 weeks of being offered a place on the Berlin Marathon 2022 travel package. If within that 2 week period the full deposit and documentation is not received then your place will be offered to another runner and you will lose the full advance registration fee. The advance registration fee is fully refundable if we cannot confirm entry when the package details are released.

**IMPORTANT:** We cannot sell race entry alone; it has to be sold as part of a travel package which includes a minimum of 3 nights' accommodation over the marathon weekend.
