TCS Sydney Marathon – 29 August 2027

The TCS Sydney Marathon presented by ASICS is Australia's premier running event and an Abbott World Marathon Major, attracting more than 40,000 participants from around the world. Runners cross the iconic Sydney Harbour Bridge and finish at the world-renowned Sydney Opera House, a UNESCO World Heritage Site.

In addition to being an Abbott World Marathon Major (Abbott WMM), the Sydney Marathon is the first event in the Southern Hemisphere to achieve the prestigious World Athletics Platinum Label. This recognition places the event among the world's leading road races and further enhances its international appeal.

At this stage, the official 2027 travel packages and pricing have not yet been released. However, due to the high level of interest from runners, we are opening an advanced registration process to allow interested travellers to secure priority access to available entries and packages

To pre-register, please complete and return this form. Upon receipt of the completed form, and subject to availability, we will provide banking details and request an initial deposit of **R5,000 per runner**, payable immediately. No deposit is required at this stage for accompanying non-runners.

Once the official 2027 package has been released, travellers who have successfully completed the advance registration process will be given first option to book and will have **two weeks** to decide whether to proceed with the advertised package.

If you choose to proceed:

- Your advance registration deposit will be credited towards the total package cost.
- Any additional deposit required for the travel package will become payable.
- Your booking will then proceed to confirmation in accordance with our booking conditions.

If, within the two-week decision period, you decide that the package does not meet your expectations, you may cancel your advance registration in writing, and your deposit will be refunded in full. Refunds will be processed within 10 business days of receiving written cancellation.

Should we not receive your written acceptance or cancellation within the two-week period, your priority allocation will automatically be forfeited and may be released to another traveller.

Important Information

- Submission of this form does not constitute a confirmed race entry.
